18346 ACCOUNTANT 1

Following established procedures, performs detailed accounting assignments requiring a basic knowledge of accounting theory and principles. Work is subject to general review and under the direction of senior accounting personnel. Provides specialized or general analysis support in various accounting functions such as Accounts Receivable, Accounts Payable, Payroll, Cost Accounting, Property Accounting, General Accounting and the like. Reviews and analyzes journal vouchers, accounting classifications and other accounting/financial statements, records and reports. Assists other level accountants in a variety of accounting assignments such as: taking trial balances, making adjustments and closing entries, preparing profit and loss statements, inventory, receipts and disbursements, balance sheets, compiling and distributing labor, material and overhead costs. Education and Experience: Bachelors degree in Accounting, Business Administration, equivalent major or equivalent experience. This is the normal entry level to the professional accounting family of jobs. Excludes those without equivalent combination of academic preparation and experience. Normally considered an exempt position.
